(Boulder, CO) – Twisted Pine Brewing Company in Boulder, Colorado, will celebrate its 21st anniversary from Thursday, July 21st, to Sunday, July 24th, with a variety of live music, nonprofit events, food specials, and, of course, beer.

Festivities will kick-off Thursday afternoon with the tapping of two lagers: Hausparty, a classic North German-style pilsner, and Blockparty, a North German-style pilsner heavily dry-hopped with American hop varieties. Thursday will feature Out Boulder, the community's leading LGBTQ outreach organization, followed by MESA on Friday, which provides sexual assault client services and prevention to surrounding Colorado counties. Green Grants, focusing on environmental sustainability, will be highlighted on Saturday, while the Boulder Humane Society, dedicated to promoting and enhancing the lives of pets and people, will be featured on Sunday.

Each day of the anniversary celebration will also include daily food specials, live music, and more special beer tappings. On Friday, Twisted Pine Brewing Company will tap Vinaka, an imperial saison with tropical hop accents, a free ice cream sampling by Brew Moo'd—which incorporates a variety of Twisted Pine beers in their creations—will start on Saturday at noon, and a community Bluegrass pick is scheduled for Sunday.
